2YC3 Conference Info:

Transportation: We recommend having access to a vehicle for transportation around the Kansas City area. While it is possible to stay at a hotel within walking distance from the college and some restaurants, public transportation from MCI (Kansas City International Airport) to JCCC (about 35 miles) is not available. Renting a car or relying on ride-share apps or a taxi will be the only options available to get from the airport to the hotels. Parking is always free on our campus.

Lodging: There are many options in the area. The following have agreements with JCCC.

Hotel within walking distance:

- MainStay Suites Kansas City Overland Park 11001 Oakmont St. Overland Park KS 6210 Phone (913)-469-5557
