

# **College Chemistry Canada Conference 2026**

## **FOOD SERVICES**

### **Nunavut Arctic College**

It is planned for the Registration Fee to include a meal package at Nunavut Arctic College for ALL registrants.

*Saturday:* breakfast; lunch; banquet.

*Sunday:* breakfast; lunch; dinner; evening social event

*Monday:* breakfast.

### **Hotel Dining**

All the hotels have full-service dining rooms. Aqsarniit dining room Sunday all-you-can-eat Brunch is exceptionally good value – and quality.

**Aqsarniit Lounge**, casual dining. Personal recommendation: fish & chips (two pieces Qikiqtaaluk Fisheries locally-caught turbot in beer batter with fries).

**Frobisher Inn Storehouse Bar & Grill**. Personal recommendation: pizza (mesquite chicken, Greek, DeLuxe, four cheese).

### **Restaurants**

#### **Black Heart Café**

A must-visit place with amazing food selection (including vegetarian and vegan). Personal recommendation: spicy sambal shrimp poké bowl. Best coffee in Iqaluit.

Located between NAC and Aqsarniit Inn.

#### **Tundra Take-Out Diner**

In airport terminal. Excellent food! <https://arctic-coop.com/index.php/tundra-menu/>

#### **Asian Kitchen**

Wide range of East Asian dishes. <https://www.facebook.com/asiankitcheniqaluit/>

#### **Yummy Shawama**

Highly recommended with Lebanese focus. <https://www.facebook.com/pages/Yummy-Shawarma/313368095406396>

#### **Nunavut Brewing Company**

Farthest north brewery in Canada. Good reviews. <https://www.nubrewbeer.ca/>

**Tim Horton's**

Of course! In three locations.
